

Questionnaire 2: MP2

To be filled in by: Protocol developer after decomposition

Date: __.__.____

Person/Group: _____

Q 1: Are there types of development steps not mentioned in the offered “experience”?

yes no

If answered with „yes“:

Q 1.1: Which development step types were new?
(please give a list of development step type names and
a short characterization)

Validated by: A1

Person: _____

Date: __.__.____

B4 experiment: _____

Page: 1/5

Questionnaire 2: MP2

To be filled in by: Protocol developer after decomposition

Date: __.__.____

Person/Group: _____

Q 2: Are there any concurrent protocol functions?

yes no

If answered with „yes“:

Q 2.1: Which concurrent protocol functions could be identified?
(please give a list of function names)

Validated by: A1

Person: _____

Date: __.__.____

B4 experiment: _____

Page: 2/5

Questionnaire 2: MP2

To be filled in by: Protocol developer after decomposition

Date: __.__.____

Person/Group: _____

Q 3: Are requirements partitioned into layers?

yes no

If answered with „yes“:

Q 3.1: What layers are used to partition the requirements?

(please list them and give a short characterization of each layer)

Validated by: A1

Person: _____

Date: __.__.____

B4 experiment: _____

Page: 3/5

Questionnaire 2: MP2

To be filled in by: Protocol developer after decomposition

Date: __.__.____

Person/Group: _____

Q 4: Which protocol phases are included?

connection set-up

connection tear down

data transfer

others (please specify): _____

Validated by: A1

Person: _____

Date: __.__.____

B4 experiment: _____

Page: 4/5

Questionnaire 2: MP2

To be filled in by: Protocol developer after decomposition

Date: __.__.____

Person/Group: _____

Q 5: How can the service be characterized?

reliable

unreliable

connection-oriented

connection-less

window-based flow control

rate-based flow control

non functional (aspects like: delay, jitter, max throughput)

other aspects (please specify): _____

Validated by: A1

Person: _____

Date: __.__.____

B4 experiment: _____

Page: 5/5
